

I am writing in reference to the proposal to expand the LPFM service, and how they will allow these stations to take priority over current stations. I understand that this will put K-LOVE, a radio station that I pay to support, at risk. K-LOVE is a very important part of my life, that's why I pay my monthly support for the station. I feel it is an important part of my local community. It offers a variety of services free to hurting persons (Pastor Staff, Prayer support, encouragement, etc), as well as local happenings in the Greater Tristate area. It is a morally sound station, instilling good values and encouragement to anyone who listens. It is not offensive, as many stations on the air are. ANYONE who tunes in has the opportunity to call for counseling from one of the pastoral staff, or ask questions, etc. Therefore, I believe that the service this station offers is definitely in the public interest. K-LOVE is broadcasted over 104.3, 96.9, and 102.3 in my local area. Thank-you.
